IN THIS ISSUE

Dear parents and carers,

It has been another busy week at Oasis Academy Woodview. We are so proud of how hard the children have worked and how well they have behaved this week, despite having so many staff and pupil absences. As always the highlight of the week was awards assembly. This week the virtual assembly was broadcast live from 6L. It was so nice to hear about all the fantastic work that has gone on in school this week.

As you know, we have taken the decision that staff will be wearing face masks once again and bubbles reinforced. If anyone in your household is unwell, we recommend that LFD tests are taken by the whole household. If anyone is unwell themselves then we recommend taking a PCR test. Covid has not gone away and rates are rising. We need to do all we can to keep each other safe.

Please ensure that children come to school in their full school uniform on the days that they have PE but bring their PE kit to change into at school.

Thank you all for your continued support.

If you have any questions or concerns, then please talk to us.

Have a lovely weekend

Mr Broadfield and Mrs Johnson

Online awareness

Please could all parents be aware that their children may be playing the online game Roblox. This has an age-rating of 7, but it contains elements that some parents may not want their children taking part in - including online shooting games. Even though they are cartoon characters, it may be too violent for some children.

Children can also be added by friends, and other people who may not be friends, through the game. This allows children to talk to each other, which needs to be monitored by parents. Please check who your children are speaking to online and how they are speaking to their friends.

3 C Advent Calendars

Miss Lehane and Miss Cross invited the children to create their own advent calendars for fun and bring them into school to show and share them in class. As you can see the children have been very creative.

Year 6 First Aid Training

Organised through the Midlands Air Ambulance Charity, year 6 this week took part in first aid training covering CPR, bleed Control, burns and head injuries. The workshop provided the children with the skills and knowledge to be able to deal with these situations in scenarios at school and at home. Well done to those who took part and for working so well and developing these skills.
