Executive Principal: Mrs Johnson   **Associate Principal: Mr Broadfield**

Dear parents and carers,

We have made it to the end of the Spring term. The children have worked hard and made great progress. It was lovely to be able to welcome parents to our Rocksteady concert today. It was the first time we have been able to have parents in school, for an event, in over two years. The children performed a range of songs brilliantly and everyone in attendance enjoyed the show. We definitely have some future superstars.

Children in Year 5 completed their Free2Dream workshop today. They were delighted to receive the hoodies that they had designed and perform in a fashion show for their peers.

Today in awards assembly we presented the Smiley Riley Awards named in honour of our beloved Miss Riley. This termly award is awarded to one pupil in each class who has shown a great attitude, put in a great effort and has spread joy throughout the school. Well done to all the children who received the award.

Have a lovely Easter break. For those observing Ramadan, Ramadan Kareem.

Thank you all for your continued support
Mr Broadfield and Mrs Johnson

Horizons Ipads

Please ensure your childs ipad is at school with them every day and they are charged ready to be used

We also ask for your support to monitor the storage available on the ipads. We are finding we have ipads with no storage that are full of apps which teachers have not asked the children to download.

This is causing issues with not enough storage space available for apps to be download in class and for the operating system updates to automatically be carried out. We are having to free up space by removing these apps.

Also the pictures should be in relation to school work, again we are finding there is a lot of storage space being taken up with excessive photos.

ALL Horizons iPads need to be updated to iPadOS 15.4 as soon as possible please

Thank you for your support.
