IN THIS ISSUE

Dear parents and carers,

It has been so lovely to welcome the children back to school this week. The children have settled into their new classes really well. We have already seen some fantastic work and excellent behaviour. The highlight of the week was definitely our awards assemblies where we all go to celebrate our achievements this week. We are so proud of the children.

Our exiting curriculum makes use of the latest technology. All of our pupils are provided with iPads as part of our horizons project. It is really important that iPads are brought to school each day fully charged to ensure children are ready for lessons.

We really appreciate contact with you all. Now that school is open again, if you have any questions or queries, please can you contact the school office and we will do all we can to help. We are struggling to read direct dojo messages whilst teaching our classes at the same time. Thank you so much for your understanding.

Thank you all for your continued support.

If you have any questions or concerns, please speak to us.

Have a lovely weekend.

Mr Broadfield and Mrs Johnson
