Principal: Mr Broadfield

IN THIS ISSUE

Dear Parents and Carers,

This week our fantastic Year 6 pupils have completed their SATs tests this week! Each and every one of them has demonstrated their best efforts, and we couldn't be prouder. Well done, Year 6!

In other news, last week four of our students had the incredible opportunity to visit Oasis Academy Hobmoor and meet the renowned author, Serena Patel. They had the privilege of hearing about her inspiring career journey and even got their books signed. Meanwhile, the rest of the school had the pleasure of watching the event through a live video stream. It was truly an enriching experience for everyone involved.

Additionally, we celebrated the king's coronation last week with a special lunch. The hall was beautifully adorned in the patriotic colours of red, white, and blue. It was a memorable occasion that brought our school community together.

As a friendly reminder, we kindly request parents to park their vehicles safely around the school premises. Ensuring the safety of our pupils is of utmost importance, and responsible parking plays a crucial role in maintaining a secure environment.

Finally, we wish everyone a wonderful weekend filled with relaxation, joy, and quality time with loved ones. Thank you for your ongoing support and involvement in our school community.

Mr Broadfield

KING'S CORONATION CELEBRATIONS

Next week is Mental Health Awareness Week. We will be holding a mindfulness event during the week and in celebration On Friday 19th of May, we would love it if Students could wear green as this is the international symbol of mental health awareness. It would also be amazing if anyone could contribute a voluntary donation of £1 as this will go to the charity Young Minds, whose mission is to "See a world where no young person feels alone with their mental health, and all young people get the mental health support they need, when they need it, no matter what.

We are so pleased that we are starting to see lots of green shoots of spring onions and garlic in our school garden. Once the plants are ready to harvest, we hope to sell some of our produce to parents from our Market Garden. The crops have been planted by children in our reception classes, so we hope to be able to share these with you. Hopefully we can harvest potatoes and herbs as well as the onions and garlic. The crops will also be used in our vegan kitchen and hope they can be
