IN THIS ISSUE

Dear Parents / Carers

The children continue to impress us with their hard work and fantastic attitudes. We really enjoyed our awards assembly where we saw many examples of fantastic work. We were particularly impressed with how many of the certificates mentioned children growing in confidence and being willing to share their ideas with the class.

Keep up the good work.

Thank you all for your continued support.

If you have any questions or concerns, please speak to us.

Have a lovely weekend.

Mr Broadfield and Mrs Johnson

The following is important advice to maximise your child's chances of securing the school you want.

1. Apply for up to six secondary schools, listing them in order of preference. Please note: You don't have to list six schools, but the more schools you list, the better your chances of being offered a place at one of them.
2. Consider each school's admissions policies and previous years' application rates to see whether your child is likely to be offered a place. Reflect on the distance, cohort and environment to suit your child.
3. Apply before the deadline to avoid disappointment October 31, 2021.

If you require any advice on assistance in completing the online application, please do not hesitate to get in touch.

As part of our Black History Month celebrations, we are running weekly competitions throughout the month of October. Each week we will ask you to produce a piece of work about important figures from history. You could produce written work, a drawing, a poster, a video or anything else you can think of!

This week's figures are **Serena Williams** and **Sir Lewis Hamilton**. What can you find out about them?

Please send this week's entries to Mr Broadfield by Monday. There will be prizes for the best work. Good luck!

An important reminder that we are now a **NUT FREE SCHOOL**. Please can you also remember this when sending in any birthday treats for a class for your child's birthday, please send fruit instead of sweets and cakes. Thank you for your understanding and co-operation.

With Half Term fast approaching, Raring2go! have been busy bees researching things to do to keep the children busy for the Autumn season, with ideas such as preparing the garden for the Autumn, caring for Hedgehogs and having fun with some great outdoor activities, to name a few.

At present they are only producing a digital version of Raring2go! Birmingham, so we are sharing the link of the magazine through our newsletter, so you can read about what's going on.

Here's the link for the Autumn edition... we hope you find it helpful and interesting!
