IN THIS ISSUE

Dear parents and carers,

I am delighted to share some wonderful news with you from the past week. Our school's gymnastics team travelled to Stoke on Trent to participate in the National Gymnastics Finals last weekend, and I could not be prouder of their performance. The team did exceptionally well, and they won bronze overall as part of the West Midlands team, while the boys brought home the silver. Well done to all the children who participated, you did us all proud!

We had an awards assembly this week, and it was lovely to see so many parents attend to celebrate the success of our children. Congratulations to all the children who received awards for their hard work and achievements this week. Keep up the excellent work, and we look forward to seeing more success stories in the future.

I would like to thank all the parents who attended the Parents' Evening this week. We had a lot of positive feedback from the teachers regarding the progress made by the children, and we are pleased to see so many parents taking an active interest in their children's education. Remember, if you were unable to attend the Parents' Evening and would like to discuss your child's progress, please do not hesitate to contact the school office.

Today was Red Nose Day, and it was fantastic to see so many children wearing their own clothes and looking fabulous while supporting a great cause. Thank you to all the parents who donated to the charity; we appreciate your generosity and kindness. **We have raised an amazing £200.00**

Finally, I would like to wish everyone a relaxing and enjoyable weekend. Let's hope for some better weather and time to recharge for the busy week ahead.

Ramadan Mubarak

We would like to wish 'Ramadan Mubarak' to all our Muslim families celebrating the start of Ramadan next week. We are aware that Ramadan is a very significant month in the Islamic calendar. We fully appreciate some of the main benefits of Ramadan but alongside these, observing the fast and late-night prayers may also create less desirable consequences for some people, particularly children, such as tiredness, dehydration, reduced focus, low energy. We view it to be sensible for only children in years 5 & 6 to fast with their parents written permission and would encourage partial fasting in the week. If you have not already done so, please make us aware and provide written permission for your child.

We thank you for your continued support.
