IN THIS ISSUE

Dear parents/carers,

It has been a busy week at Oasis Academy Woodview with lots of sport going on. This week children in years 3, 4, 5 and 6 have taken part in matches against other schools for the first time in two years! All the children really enjoyed the experience and represented the school well. It was nice to hear comments from other schools how well our children behaved and how excellent their manners were.

On Thursday the children in years 5 and 6 had a visit from professional football player Remi Allen who plays for Aston Villa in the Women's Super League. She gave an inspirational talk about always following your dreams and then joined in with the girls' football team training session after school. Who knows maybe we have a future professional football player in our school now?

Thank you all for your continued support.

If you have any questions or concerns, please speak to us.

Have a lovely weekend.

Mr Broadfield and Mrs Johnson

Woodview Football

Yr 3 and 4 had their first football outing on Tuesday 15th March at The Blue Coat School. 10 boys from across both year groups took part in the tournament where they played 4 games in total.

Woodview 1 v 0 Green Meadow
Chadvale 1 v 0 Woodview
Blue Coat 3 v 0 Woodview
Woodview 0 v 1 Hallfield

Woodview started every game with enthusiasm and vigour with the only goal coming from a penalty when Mobeen was bought down in the box. Mubeen converted to secure the only victory of the tournament

Woodview were approached by other schools on their excellent effort, style of play and, behaviour.

Players of the day Almamy and Radin

School Photographer

The school photographer will be attending the school on Monday 28th March to take photos of children who were absent or did not attend the school back in November. Consent letters have been sent home today, for those children only.

Please return the consent slip by Wednesday 23rd March.

Please ensure full uniform is worn. Parents will receive free proofs and the option to make a purchase.

Nut Free School - Reminder to all Years

Please do not send your child into school with any nut-based product for a snack or packed lunch – this includes products that may contain traces of nuts. Potential allergens could include the following:

- Spreads, e.g. chocolate spread
- Cereal bars
- Some types of biscuit containing nuts
- Condiments, e.g. satay sauce
- Cakes containing nuts
- Some snack pots containing nuts

It is important that you check the labelling of food products before sending your child in to school with them – it is not always apparent that products contain nuts or traces of nuts.

We understand that these measures may seem extreme; however, we want to ensure the health and safety of all our pupils, we have pupils in school who have allergies to nuts and one so severe that even the slightest of contact with nuts would cause a severe and potentially life-threatening reaction.

Due to the severity of the pupil's allergy, if any pupil is found with a nut-based product, the school will have to confiscate and dispose of the item immediately.

Comic Relief

A big thank you for all the donations today for the charity. The children had fun having a non uniform day and it was nice to see the variety of red clothing worn, from a beautiful red sequin dress and lots of children with red noses, through to one child bringing the comedy aspect of wearing a wig and science goggles to school with his red jumper. 😊

For the past three weeks, Year 3 and Year 4 have been swimming at facilities at Oasis Academy Foundry.

They have had a fantastic time having daily intensive swimming lessons in small groups during the morning or afternoon session they have attended.

This week has finished with 4W having the last lesson today, we hope they had a good lesson.
