We celebrate the determination and resilience of our young learners who received awards for their perseverance. Keep striving for your goals!

In the spirit of healthy competition, Oak House is currently leading the way in our house competition. Well done to all the students in Oak House! Keep up the great work and teamwork.

A quick reminder that on Monday, our Year 3 students will be participating in the Bikeability project. We're excited for them to enhance their cycling skills and safety awareness.

We kindly ask parents and guardians to continue parking with consideration around the school. The safety of our students is of utmost importance. Let's work together to maintain a safe and orderly drop-off and pick-up zone.

The following is important advice to maximise your child's chances of securing the school you want.

1. Apply for up to six secondary schools, listing them in order of preference. Please note: You don't have to list six schools, but the more schools you list, the better your chances of being offered a place at one of them.
2. Consider each school's admissions policies and previous years' application rates to see whether your child is likely to be offered a place. Reflect on the distance, cohort and environment to suit your child.
3. Apply before the deadline to avoid disappointment October 31, 2023.

If you require any advice on assistance in completing the online application, please do not hesitate to get in touch.
