Friday 21st October 2022

Principal: Mr Broadfield

IN THIS ISSUE

Dear Parent and Carers,

I cannot believe we have reached the half term break already. I am so proud of how well the children have behaved this term and how much progress they have made in lots of different areas.

It was lovely to meet so many parents and carers for a coffee morning with our Hub Council last week. Lots of great ideas were generated. Please see the parent workshops section later in the newsletter for more details.

Please be mindful about how you drive and park on Woodview drive, and around the school. Please also be careful when bringing bikes and scooters onto the school site; we have had a couple of near misses. We want all our children to be safe.

If you have any comments or concerns, please feel free to speak to us.

Thank you for your continued support

Have a lovely half term break.

Mr Broadfield

Applying for Secondary School (year 7) place

Closing date: 11.59 pm 31 October 2022

The following is important advice to maximise your child's chances of securing the school you want.

1. Apply for up to six secondary schools, listing them in order of preference. Please note: You don't have to list six schools, but the more schools you list, the better your chances of being offered a place at one of them.
2. Consider each school's admissions policies and previous years' application rates to see whether your child is likely to be offered a place. Reflect on the distance, cohort and environment to suit your child.
3. Apply before the deadline to avoid disappointment October 31, 2022.

If you require any advice on assistance in completing the online appion, please do not hesitate to get in touch.

Parent Workshops

Last week our Hub Council met with a number of parents to listen to ideas about working in partnership with the community. A key theme that came out was that of parents wishing to support their children at home but not having the information to do so. Next half term we will be running a series of parent workshops/coffee mornings about how you can support your child at home in different areas. We will also be sending home the curriculum overviews (which are also available on our website) and useful tips about how to help at home. Please see below for the timetable of workshops. All are welcome.
