Journal Writing

Hello everyone. Well, this will be the last time I ask you to write in your journal in Year 3! Hasn't that time gone quickly? Hopefully, you will have created a great journal by now. Even if you haven't it's not too late to start- you could begin with this activity.

For your final Year 3 entry, I would like you to write a page introducing yourself to your Year 4 teacher. Tell them all the important things there are to know about you! (not just your name and age). Tell them anything you are worried about, or anything you think you are going to need help with. Make sure you also tell them about your amazing skills and talents! What makes you special and clever?

Although that is the end of your journal for Year 3, I would really like it if you continued to write in your journal throughout the summer holidays. You can make it your own and keep a record of what you get up to. You might not realise it now, but this will be a very interesting and important document to look back on as you get older. I would love it if you brought your journal to me the next time we are able to see each other 😊

Stay safe and happy- Ms Rashid
