Poetry.

Have a go at an acrostic poem, all about Year Three! Try to sum up what the year has been like. Do it on paper or straight onto Dojo. Here's my attempt.

**Y**ou have been a pleasure to teach

**E**veryday you have made me smile

**A**nd made me think

**R**emember back to September?

**T**hen you were all so small

**H**ow much you have grown and changed

**R**eally this year has been terribly strange,

**E**veryone has had to be apart, and sometimes sad and lonely,

**E**ven though I haven't seen you, you've all made me proud.

Now you try. Use the words Year Three like I did, or Clayton or Zephaniah (depending which class you are in)
