Writing: Journal Task 2

By now, you should have created your own journal, and found a way of keeping it all in one place.

Last week, I asked you to write a page all about yourself (including pictures of yourself if you wanted)

This week is all about your family and the people you love 

Questions to think about:

Who is in your family? (you can include pets as well if you like)

Who are the most important people in the world to you?

Are you apart from any members of your family because of quarantine?

How does that make you feel?

Who are you most looking forward to seeing when quarantine is over?

Include any extra information or pictures you like, remember, your journal is special because it's **yours!** You can set out your work however you like and make it personal to you. When we come back to school I hope that we can bring our Quarantine/Lockdown Journals with us to share.

If you want to share your work with me and Miss Allen, or if you have any ideas about what else we can include in our journals please email
