

## Friday 12<sup>th</sup> June- Writing

Think back to the book we read on Tuesday (you might want to re-read it). Do you think the other monsters were right to send Three Claws to live up on the mountain? I would like you to think of the pros and cons of this idea, and then write an explanation.

Pros 😊	Cons 😞
The other monsters won't be bothered by Three Claws stinky breath anymore and they can get on with their lives	The mountain might be a scary place for Three Claws to be on his own.

I think that it was right/wrong for Three Claws to go up to live on the mountain because....

Complete your work on a separate sheet, don't print this sheet out.
