

## English Instructions

This week you will have a choice of two different ways to complete your English, depending on which is easier for you to access.

You can complete newspaper work on the Oak National Academy website, or work on the bitesize programmes on the BBC. If you feel really keen, you can do both, but we don't expect it! Here is how to access your learning:

The Oak National Academy - <https://www.thenational.academy/>

This week's work is based around Information Leaflets, and covers comprehension and writing.

Each day's work consists of a quiz to test knowledge before starting, a teaching video, main activity and a final quiz. There will be a link for each day's work under the relevant day, or you can access it using the above link. We will be using Week Two's work for English.
